

REMARKS

Upon entry of this Response, claims 1, 3, 10, 12, 17 and 20 will be amended and claims 2, 5-6, 13, 16, and 21 will be canceled. Thus, claims 1, 3-4, 7-12, 14-15 and 17-20 will remain pending. Applicants respectfully request entry of the Response because the changes will place the application in condition for allowance and/or in better form for appeal. These changes have been made solely to expedite prosecution of the present application, and no new matter has been added. Applicants reserve the right to pursue the subject matter of previously pending claims in this and/or other applications.

The pending claims stand rejected as being anticipated by U.S. Patent Application Publication No. US 20020176430 A1 to Sangha et al. (hereinafter Sangha).

The claims have been amended in view of the Examiner's rejection. In particular, the amended claims may be directed to an embodiment such as the one illustrated in FIG. 5 of the present application. Applicants respectfully suggest that Sangha does not disclose or suggest the subject matter of the amended claims.

Accordingly, Applicants respectfully request allowance of the pending claims. If any issues remain, or if the Examiner has any further suggestions for expediting allowance of the present application, the Examiner is kindly invited to contact the undersigned via telephone at (203) 972-0191.

Respectfully submitted,
